COMBINED DECLARATION AND POWER OF ATTORNEY
OF CARL L.C. KAH, III
FOR REISSUE PATENT APPLICATION

I, Carl L.C. Kah, III, declare as follows:

1. My residence, post office address and citizenship are as stated below next to my signature.
2. I believe I am the original, first and sole inventor of the subject matter which is described and claimed in U.S. Patent number 5,826,797 ("the '797 patent"), granted October 27, 1998, and for which a reissue is sought on the invention entitled OPERATIONALLY CHANGEABLE MULTIPLE NOZZLES SPRINKLER, in accordance with the preliminary amendment filed herewith, the specification of said patent being attached hereto.
3. I have reviewed and understand the contents of the above identified patent, including the specification and claims, as amended by any amendment referred to above.
4. I acknowledge the duty to disclose all information known to be material to patentability in accordance with 37 C.F.R. § 1.56.
5. I verily believe the '797 patent to be partly inoperative by reason of my claiming less than I had a right to claim in the patent.
6. At least one error upon which reissue is based is that independent claims 1 and 12 recite "means for" language, which, under 35 U.S.C. § 112, 6th paragraph, is construed to cover the corresponding structure described in the specification and equivalents thereof. Such a definition of the invention is narrower than necessary to distinguish the claimed invention over the prior art. Thus, I claimed less than I had a right to claim in the '797 patent.
